ARC

App Race Control (ARC)

Scalextric ARC is a Race control system that operates using App-based software in conjunction with BLE (Bluetooth® low energy/Bluetooth SMART) technology.

Scalextric ARC is a 'plug-in' to our current track system –compatible with existing analogue and digital tracks and cars.

Allows the user to wirelessly manage all elements of the 'Scalextric race experience' using Bluetooth technology via an App on a Smart Device.

3 new powerbases are available as separate accessory packs (ARC ONE, ARC AIR, ARC PRO), with differing levels of functionality.

Telephone: +44 (0) 1843 233525
Spare parts: Spare parts for current products may be available from Scalextric Service Dealers.

Electrical

Scalextric vehicles are fitted with electric motors operating from between 3-15 volts direct current. Mains electricity supply is reduced to this safe voltage by the appropriate Scalextric transformer and speed control is achieved by hand throttles wired to the track powerbase. Vehicles have pick-ups beneath the chassis which collect the electrical power from the track. Some control equipment is not suitable for use by children under 14 years except under adult supervision. Please check individual product packs for further information.

New releases

This catalogue shows items planned for introduction in 2016. Delivery periods may be subject to variation without notice. The illustrations of such items may not conform exactly to production versions. Where a photographic image of a real car is used, the body shape and /or livery of the production SCALEXTRIC model may differ to the car pictured.

Distribution

SCALEXTRIC products shown in this catalogue are available only through authorised retailers. The range shown will be varied in future years. Enthusiasts and collectors are invited to obtain their requirements whilst the item is in current production as additional production runs are not guaranteed. If you need assistance in obtaining any SCALEXTRIC product, please contact the SCALEXTRIC Helpline.

Dimensions

Sizes quoted in the catalogue are approximate. Hornby Hobbies Ltd reserves the right to alter designs, specifications, colours, liveries and prices without notice. This catalogue supercedes all previous editions.
